Navigating to the EPC Marketplace after login

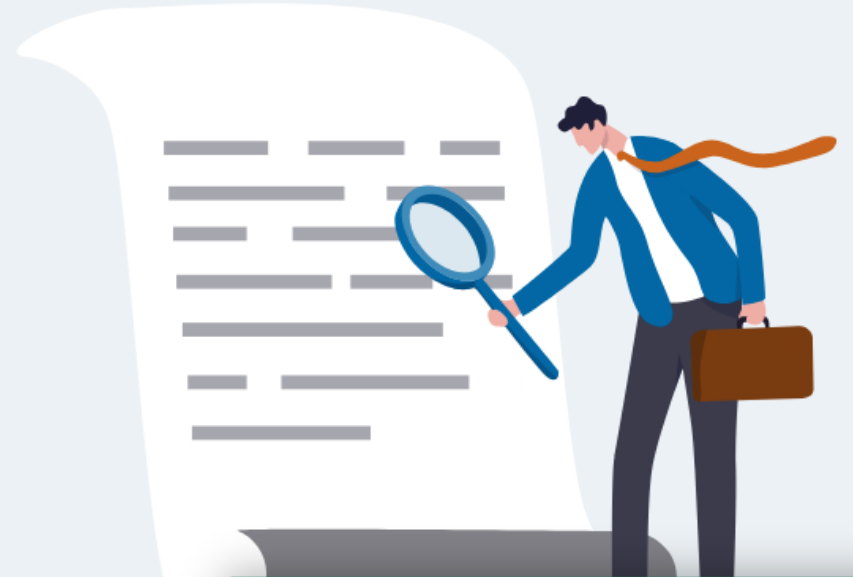

The screenshot displays the EPC dashboard interface. At the top, a search bar is highlighted with a red box, containing the text "Search..." and a dropdown menu currently set to "Marketplace". A blue arrow points from the "Marketplace" option in this dropdown to a larger dropdown menu that is open, showing a list of procurement-related items: Requisitions, Bid Solicitations, Contracts, Purchase Orders, Receipts, Invoices, Credit Memos, Quotes, Vendors, Marketplace (which is highlighted), and Catalog. Above this menu, a row of six colored cards shows document status: "Document(s) Ready for Approval" (0), "Requisition(s) Ready for Purchasing" (0), "Bid Solicitation(s) Ready to Send" (1), "Bid Solicitation(s) Ready to Open" (0), "PO(s) Ready to Send" (0), and "Change Order(s) Ready To Apply" (0). Below the cards, there are sections for "News" (showing "No news items.") and "Recent Documents" (showing a contract for "Tires, Tubes, and Services"). On the left side, a blue sidebar contains various icons, with a shopping basket icon at the bottom highlighted by a large blue arrow. A text box on the left explains that users can access the Marketplace via the shopping basket or the global search bar.

Once logged in to EPC, you can access **Marketplace** from the shopping basket on the lower left of the screen **or** using the global search bar at the top of the screen and selecting **Marketplace**.
